## Wildfire

### Resource

Website with state fire management resources including fire maps and annual reports.

<https://dlnr.hawaii.gov/forestry/fire/>

Website from an NGO, Hawaii Wildfire Management Organization (HWMO), with resources associated with outreach, education and technical assistance, project implementation, and research focused on proactive and collaborative wildfire prevention, mitigation and post-fire recovery in Hawaii and the Pacific. Partners with state, local, and federal agencies and organizations.
